Create your celebration of a lifetime on the most beautiful lake in the world at the northwest's favorite resort - Campbell's Resort on Lake Chelan.

If a meeting's outcome is to energize, inspire and reward, then holding a conference in beautiful Lake Chelan is just smart business. And with the area's attractions and recreation, opportunities for team building abound.

Campbell's Resort is located on the shores of Lake Chelan, where the east slopes of the Cascade Mountains meet the sun baked Columbia plateau. Long renowned as a family vacation playground, Lake Chelan has recently become Washington state's most exciting new wine country.

Campbell's banquet and catering services elevate the conference experience by providing custom in-house food and beverage offerings. Breakfast, lunch, dinner, hors d'oeuvres, desserts, themed meals and on-the-go boxed meals are all on Campbell's catering menu. Visit campbellsresort.com for details.

As a premier wedding site, Campbell's has several beautiful venues to choose from. Whether a lakeside wedding ceremony followed by an indoor reception, a grand soiree in one of the ballrooms or a tented gathering on the outdoor terrace, each resort location can be tailor made to fit the bride's vision.

WHAT MEETING PLANNERS HAVE TO SAY ABOUT CAMPBELL'S CONFERENCE CENTER:

Special thanks to Mary Amsden and Barb Smith for taking care of us and making it a great event! Also, thanks to Jason and Edie for being so responsive to our every need. You have a great staff and I look forward to our next event at Campbell's. Karen Pendleton - Washington State Road Design Conference, November 2012

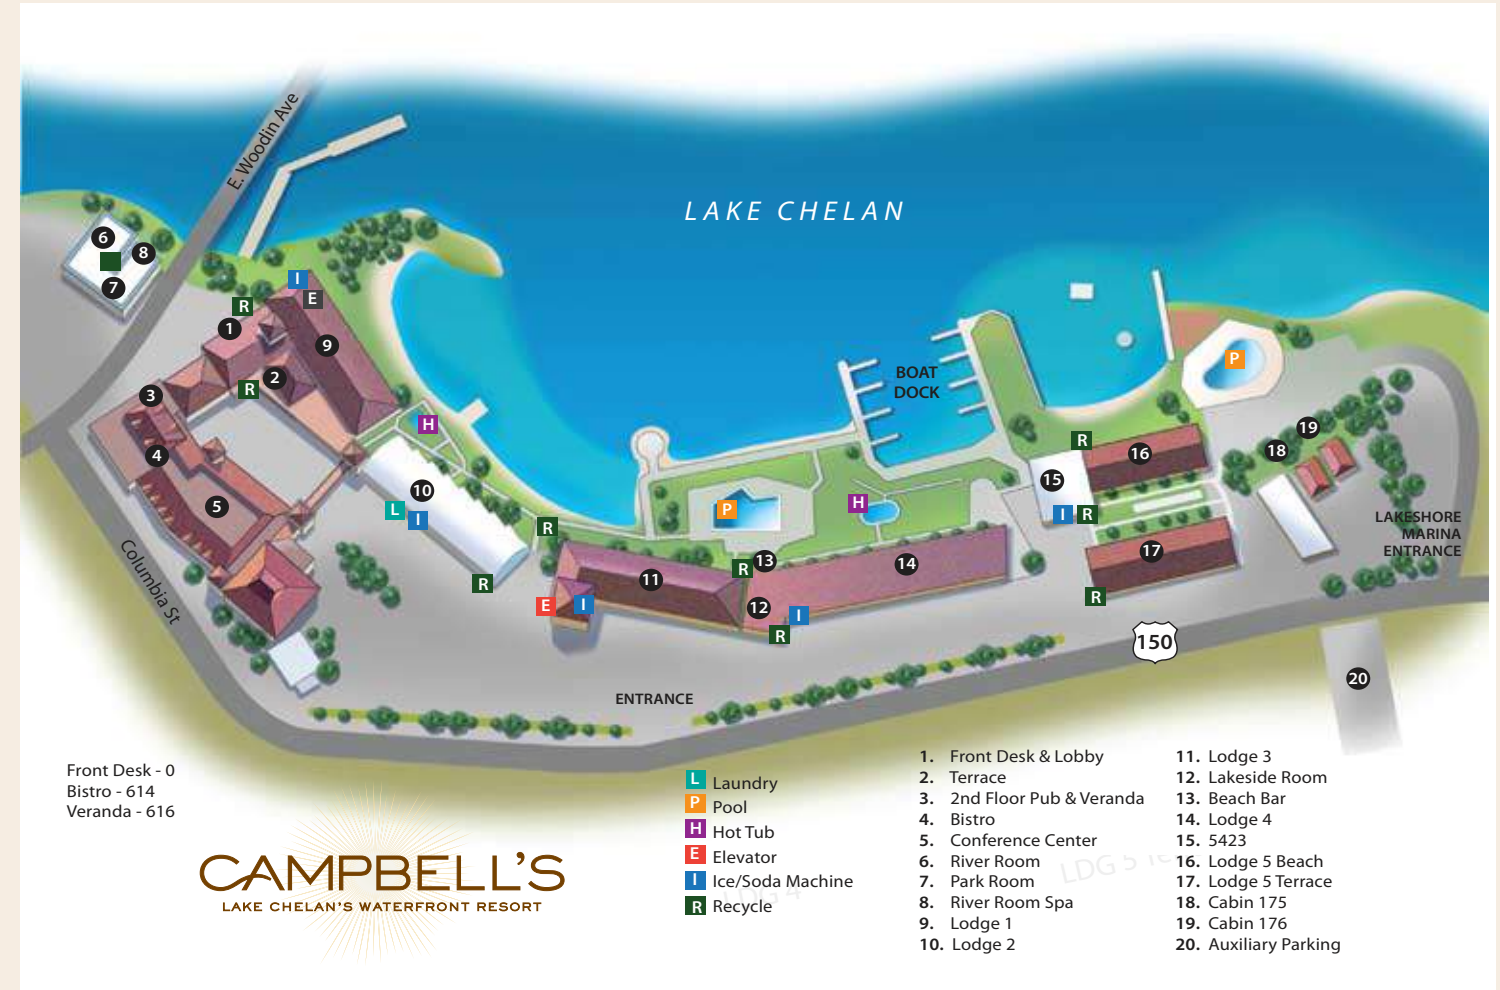

Everyone in your offices were a dream to work with - and you handled our slight freakouts with grace and wisdom! Thank-you so much for everything - our conference was a HUGE success thanks to you - we loved being back home and look forward to next year! Theresa Barnaby - Washington Library Employees, 10/31/2012

We already booked 2013 and 2014. We are a not-for-profit professional group and it has been our experience that we get the best value for the dollar at Campbell's. That our memberships' loyalty to your facility keep us coming back. Sharon Rice, President - Hearing Examiners Association of Washington, 10/26/2012

Since 1992, I have coordinated 33 conferences for two organizations. One group representing WA Municipal Clerks and the other WA State Law Enforcement Officers & Firefighters Education Association (LEOFF I). I have booked conferences from Vancouver, WA to Blaine. From Eastern WA to Western WA and have yet to find a conference site that even comes close to Campbell's Resort. As a result, I have booked the last 11 Police & Firefighters conferences at Campbell's Resort and currently we are booked through 2016. Campbell's Resort is a fifth generation family operated resort with conference staff that have been employed for Campbell's Resort for years. It is such a pleasure to work with staff that know your needs from year to year. I have worked with a few conference sites that had a turnover of coordinators between booking and the actual conference, which resulted in much chaos for me. Campbell's is the Nordstrom's of conference sites. Linda Alvar - WA St Law Enforcement Officers & Fire Fighter, May 2012

Look forward to working with you again next year! Thanks for everything and I love that you are a family run business where it is apparent everyone feels like part of that family :) Director Ginnie Jo Blue - WA St Council for the Social Studies Conference, March 2012

Overall my guests were very pleased with the service and the resort itself. George Lilya - Toshiba Conference, Feb. 2011
