## LOWLAND

*there's more distillation in the Lowlands than any other scottish region, but its days as a significant single malt player are consigned to history. this is the home of the blend, and of the large quantities of grain whisky which form its foundation – but a few producers keep up the trademark light and grassy Lowland malt style.*

## *JAPANESE WHISKEY*

*"Japanese whisky embodies the harmony that exists between Japanese nature and Japanese people. Japanese whisky is the fusion of the delicate forces of Japanese nature itself, combined with the passion and precision of the best Japanese artisans" Shinjiro Torii*
